LB 130

wholesome food is my responsibility but if I didn't have the Food and Drug Administration out there, Senator Sieck, that made sure that the food that I buy at the grocery store at least has had some inspection, you know I really wouldn't know what it was I was buying and what it was that I was eating. And the same is true for parents who have to put their children in the care of others. It is important to at least have some standards, some standards applicable to care givers so that children don't end up at the hands of the debaucher, or what have you, so the children are relatively safe. That is all this bill is. It is a safety protection, physical well-being bill for our children. Again, I ask its advancement.

PRESIDENT: Thank you. That concludes the debate on LB 130 and the Chair would like to add for the record that the northern part of Keith County north of the Platte River is in the Sandhills. The question is now the advancement of LB 130. All those in favor vote aye, opposed vote no. We are voting on the advancement of LB 130. Please record your vote. Members, please record your vote. We are voting on the advancement of LB 130. We want to move on to Select File as quickly as possible. Have you all had an opportunity to vote? The motion is to advance LB 130 from General File to Enrollment and Review for review. All those in favor please record your vote aye, opposed vote no. The Chair will allow thirty seconds for the completion of recording of votes. There are six excused at the present time. Have you all voted? Your opportunity to record your vote is passing quickly. We are voting on the advancement of LB 130. A Call of the House has been requested. The question is now, shall the House come under Call? All those in favor vote aye, opposed vote no.
